

22 June 1970

Harold —

Nichols' first suit was dismissed 17 June 1970.
He refiled a new suit, of which I have a copy.

Tell me if you want a Xerox of it.

My trials are on Wednesday. After that I shall
have to do a bit more writing and revision of
thesis, which will take about a month.

Next weekend I am starting on week-long
canoe trip with a friend, and will be completely
out of touch. I'll write as soon as I get back.

Still —
